over 100 000 sold reform the way small groups make disciples this companion training manual to real life discipleship provides unique guidance and insight to pastors church leaders and their disciples as they work to create an effective discipleship program with a thorough results oriented process that can be applied

in other contexts and cultures this manual explains the necessary components of disciple making so that every church member can play a part in reaching others for christ a great leader s resource it shows you how to cultivate new leaders for the future and equip them to make disciples this manual includes these teaching tools activities and questions that teach an effective christlike approach to discipleship training on how to identify recruit and develop gifted leaders from within your church fellowship an explanation of the role of personal relationships in making disciples part of following jesus is reaching out to others and sharing what we believe develop the heart of a disciple maker in the members of your small group and help them follow god s call to go and make disciples

before jesus left his disciples he gave them the famous commission to go therefore and make disciples of all nations baptizing them in the name of the father and of the son and of the holy spirit and teaching them to obey everything that i ve commanded you mt 28 19 20 the commission actually reveals a unique characteristic of matthew s gospel it was designed to be a training manual for the matthean community of disciples matthew s gospel was structured along five major discourses on discipleship ch s 5 7 10 13 18 24 25 in addition to these formalized sermons the gospel contains numerous situational teaching moments thus future disciples are expected to assimilate the entire spectrum of jesus teaching content found in both his preaching and practice the disciple of jesus should know who jesus is what jesus has to say and what jesus did knowing who he is will inspire faith in him knowing what he commands will guide the disciple in obedience and knowing what the master does will provide a pattern to follow these three lines of inquiry will guide the disciple s development into the image of jesus the end game in following such a manual is that the believer will be prepared to make disciples of others if this all sounds to you like a pretty tall order well then you re right it is a demanding journey welcome to the matthew journey this study guide follow s the course taught at eastpoint church in spokane valley wa it is designed to be a thirteen week discipleship mentoring curriculum for committed disciples

a manual for discipleship is much needed in our time especially because many people are ripe for harvest in christ s time jesus expressed compassion for the multitudes who were lost and without direction and felt the need for more laborers he said but when he saw the multitudes he was moved with compassion on them because they fainted and were scattered abroad as sheep having no shepherd then saith he unto his disciples the harvest truly is plenteous but the labourers are few pray ye therefore the lord of the harvest that he will send forth labourers into his harvest matthew 9 36 38 the problem today is that many christians and church

members do not participate in soul winning and discipleship because of the lack of knowledge and others rely on the pastor to do the job some christian workers would do bible study and when they run out of topics or are unprepared they would depend on their feelings or get an old stocked topic to share though there are well equipped preachers who can share any time with great knowledge of the bible yet others find it difficult to teach without much preparation most christians do not get involved in soul winning and discipleship because they felt they are not capable to lead and they think it takes time to learn actually you do not have to be a pastor a seminary graduate or have much theological knowledge in order to start winning souls and leading others even if you feel you are an ordinary person god can use you to lead bible studies there is a saying god uses ordinary people to accomplish great and extra ordinary task as you avail yourself to study and lead others you will grow spiritually and become effective in leadership with the help of discipleship materials knowledge grows through study and practice the liberal soul shall be made fat and he that watereth shall be watered also himself proverbs 11 25 this manual of discipleship was written to help a believer grow as well as equip him to share his faith it will also motivate contacts to continue with the bible study as they accomplish a lesson and progress into advance topics

global action is a comprehensive study course covering the basics of christian discipleship with a particular focus on understanding the bible knowing god understanding ourselves and christian mission

train your life to have a victorious life with the holy spirit

many people believe that discipleship is important but they need help in fact the vast majority of christians report that they have never been personally discipled by a more mature follower of jesus is it any wonder that they have a difficult time knowing how to disciple others if making disciples of jesus is the greatest cause on earth how should we equip people to do it this handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of jesus and how to make other disciples of jesus with contributions from pastors and teachers like francis chan jeff vanderstelt bill hull jim putman kp yohannan and robert coleman the authors present seven elements that are necessary for disciple making to occur jesus the original disciple maker and centerpiece of discipleship holy spirit fuels the disciple making process intentionality making disciples utilizing a strategy and a roadmap relationships creating a loving genuine connection with others who trust and follow jesus bible using the word of god as the manual for making disciples journey forging a traceable growth story from a new birth to spiritual parenthood multiply reproducing the discipleship process so that the disciple becomes a

disciple maker whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations in addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts

these things is a reference manual for discipleship providing a topical overview of the fundamentals of christianity so as to empower the reader to teach them in a small group setting in addition this book offers practical insights and additional readings in order to further equip today s christian for every good work

this easy to use workbook is the companion to the christian discipleship manual facilitator manual it can be used to follow along in a discipleship group and take your own notes additionally it can be used in a one on one mentoring situation or for taking notes while reading through the christian discipleship book on your own or with a friend the workbook helps you keep on track with each session s topic and gives you activities you can do in your own time to compliment what you are learning

a companion book to learn from the master learn how to share your faith with others influence thousands for christ investing just a few hours each week understand the real meaning of the word disciple establish an ongoing ministry in your church to make real disciples learn the power of multiplication verses the illusion of addition discover the biblical method of planting a church catch a vision for reaching the world for christ get involved in something that promises life s greatest thrill find five simple steps that will help a new christian begin to grow see god s primary purpose for every christian s life four courses twenty two sessions total course one casting the vision proverbs 29 18 reminds us that where there is no vision the people perish this first course is designed to help believers see that the great commission is not an impossible task on the contrary it can be fulfilled in just a few years in these four sessions you will begin to understand that reaching the world for christ can be accomplished in a single generation after successfully completing this course there should be an intense desire to complete the other three course two an approach to evangelism in this six session experience the student will learn the information one needs to understand in order to introduce someone to christ and how to present the five initial discipleship steps one on one in order to help the new believer begin a walk with god this is the how to portion of evangelism training introducing people to christ is not difficult any believer can learn to do it course three attitudes make a difference in this study

we look at the nine attitudes jesus shared at the very beginning of his training in matthew 5 these nine attitudes beatitudes are the very first recorded lessons from the savior when he gathered his disciples around him after he saw the multitudes he loved matthew 5 1 attitudes are important because they set the atmosphere for successful communication through this course the student is constantly challenged to evaluate just how each attitude can enhance his her effectiveness in sharing the good news of the gospel the focus in this course is holiness the christian life and obedience to christ course four from convert to disciple the information in this course is vital to completing the great commission too often when an individual accepts christ as savior we rejoice which we should put them in a place where they can learn to live the life and consider them to be a disciple this course begins by defining the word disciple to mean what jesus meant for it to mean when he gave his instructions in matthew 28 19 20 when we make a convert we only add to the church when we teach the convert to lead others to christ and then to teach the others to do the same we multiply and after completing courses one two and three the student will have a clear understanding of the difference upon completing the four courses the student should be ready to teach the material to others and is ready to introduce another to christ form a small group and with the help of the church lead three or more new people into becoming true disciples ready to reach others for the lord thus beginning the multiplication process

a discipleship manual for training believers to become disciples who will make other disciples

for many years now i have been concerned that i have not had material readily available to give to young christians who want to know their way around the religious maze that they have found themselves in upon getting saved from a life of sin this concern has been heightened as the lord has been pleased to give fruit to the ministries departments of our church in terms of a fairly good number of fresh conversions i have wanted something to place in their hands that would act as a guide as they found their way in their new life in christ i have looked at my bookshelf and found that the books i have there were either too heavy for an average young christian today or they only dealt with one area of the christian life e g assurance of salvation yet what i have wanted is the kind of book that a young christian could read and find the entire orbit of the christian life described in small compass there were times when i thought i came across something that approximated what i wanted but i would find that it left out what i would consider important e g christian doctrine because it was inter denominational finally i decided to put aside the excuse of being too busy to do the spadework myself and with the encouragement of my fellow church elders and neighbouring pastors i

came up with a curriculum we called upon a church meeting where we asked the members looking back in your christian pilgrimage what is it that you wish you had been taught when you just became a christian which perhaps you learnt later after many wasted years the answers that were given by the church helped to further shape and refine the curriculum that makes up the chapters of this book some of the topics covered in this discipleship manual are assurance of salvation nurturing a culture of reading christian doctrine personal devotions personal evangelism christian friendship church commitment and godliness the book also has an appendix that explains how to use this manual to disciple others
